# ECUADOR

## EL CORAZÓN DE SUDAMÉRICA

## Explore the Andes, Amazon, and Galapagos!

This 16-day immersive adventure kicks off in Quito, where you'll explore the rich history and vibrant culture of Ecuador's capital. Venture into the heart of the Ecuadorian Amazon, a haven of biodiversity and lush wilderness, for an unforgettable rainforest experience. Relax and rejuvenate at the Papallacta hot springs, where natural thermal waters offer a serene escape amidst stunning mountain scenery.

The highlight of your journey awaits in the Galapagos Islands, a unique archipelago teeming with exotic wildlife and pristine landscapes. Here, you'll walk alongside giant tortoises, snorkel with playful sea lions, and witness the diverse beauty of these enchanted isles.

This trip is a perfect blend of adventure, relaxation, and awe-inspiring natural wonders, offering an unparalleled experience in one of South America's most diverse countries.

*Participants do not have to be CASA students to join our group. You can practice as little or as much Spanish as you like.*
